## RECOMENDACIONES PARA LA REUNIÓN CON VIELE

1. Verificar la factura W110750 (ELTSBALA a \$20.00) — si fue error, solicitar corrección formal.
2. Exigir notificación escrita con 30 días de anticipación antes de cualquier cambio de precio, como estaba acordado.
3. Fijar precios por contrato anual para todos los productos con marca El Gavilan (custom items).
4. Solicitar que ELDP32 (vaso 32oz) tenga UN SOLO precio unificado, no dos dependiendo del almacén.
5. Las bebidas Coca-Cola subieron 4.51% sin aviso — pedir documentación del pass-through de Coca-Cola.
6. El sobrecosto real (excluyendo anomalías) es ~\$6,008 (0.26%) — usar como punto de negociación.
