RECOMMENDATIONS FOR VIELE MEETING

1. Verify invoice W110750 (ELTSBALA at \$20.00) — if it was an error, request formal correction.
2. Require written notification 30 days before any price change, as originally agreed.
3. Lock annual contract prices for all El Gavilan branded (custom) products.
4. Request that ELDP32 (32oz cup) has ONE unified price, not two depending on warehouse.
5. Coca-Cola beverages increased 4.51% without notice — request pass-through documentation.
6. Real overcharge (excluding anomalies) is ~\$6,008 (0.26%) — use as negotiation leverage.
